EPEDC Volunteer of the Year

Samantha Ginsburg was honored as the 2016 EPEDC Volunteer of the Year and received an award to the Mon Valley Initiative Annual Banquet on October 20. She is a guardian angel to homeless, stray and feral cats and dogs in our area.

Samantha runs a family business in East Pittsburgh. She cares for several feral cat colonies. She had every cat spayed or neutered and makes sure they have shots and medical care as well as food and shelter. She volunteers her time for the East Pittsburgh Police Abused and Neglected Animal Fund by working the fundraising events, placing animals in need, and educating the public about animal welfare. She coordinates the mobile veterinary clinic, Frankie's Friends, to come to East Pittsburgh to provide low cost spay and neuter, hots, and medical care to animals in need.

Samantha volunteers for Kopy Kat Sanctuary. She

does their online advertising and outreach and volunteers for their fundraising events. In addition to dedicating her time, she often spends her own money to help those in need. She also volunteers for Homeless Cat Management Team. She spends many hours trapping cats so that they can receive medical care. She does outreach to educate the public on the importance of spaying and neutering their pets.

When she is caring for the cat colonies in East Pittsburgh she can often be found cleaning trash in the area. She makes animal shelters for the colonies that she cares for and for others in need of them. When she hears of an issue involving an animal she steps up and does everything she can to help the situation. This includes educating the public or pet owner about caring for animals, providing money for medical care, shelter, food, or anything that is needed to improve the situation.

Samantha has a soft spot for pit bulls. She works with The Proper Pitbull to educate the public about the breed. She has worked with the East Pittsburgh Police Chief to place many dogs into foster and forever homes. She also works with Humane Action Pittsburgh to fight for new legislation pertaining to animal welfare.

Samantha resides with her husband, Stephen, and their many furry kids. She is an asset to the community of East Pittsburgh and many other communities as she has been known to help whenever and wherever she is needed. She is a special person with a big heart who speaks for those who have no voice.

Food Bank

The Food Bank, sponsored by Pittsburgh Dream Center continues on the third Friday of each month from 1:30 p.m. until 2:30 p.m. The next Food Bank day is Friday, December 16, at the Bessemer Avenue

Community Center. 60-80 people benefit from this program each month.

Beloved Crossing Guard Retires

Norma Friez will be hanging up her stop sign and whistle after almost 40 years of being a crossing guard on Bessemer Avenue and crossing hundreds of kids through the years. She has truly loved being there and building relationships with the kids, parents, and even the bus drivers over the years. She has not only been the crossing guard for the kids but has been there to just give a hug, be a friend or just being a little bit of comfort for the kids when they needed it. Good luck, Norma!

Braddock VFD Has New Chaplain

Father Mike Singer has been named Fire Chaplain for the Braddock Volunteer Fire Department and Pat Singer has joined the fire department as a Fire Fighter. Father Mike and Pat are residents of East Pittsburgh and the first East Pittsburghers to join the BVFD. The Fire Department is looking for members from East Pittsburgh and would be happy to consider you! If interested, contact the BVFD at <http://braddockvfd113.org/contact.html>.

Knox Box

The Borough is requiring commercial properties and multi-unit apartments to have Knox Boxes installed. Information can be obtained through David Miller, Fire Marshal and Code Enforcement Officer (412-824-0447).

The Knox Box was developed to save property and lives.

The Knox-Box® Rapid Entry System is a secure emergency access program developed for property owners and first responders. First Responders across North America use the Knox-Box Rapid Entry System to prevent costly entry damage while protecting property and lives. When a fire breaks out or there is a medical emergency, Knox® products allow immediate entry into buildings and property without forced entry damage or delay. Property owners store entrance keys, access cards and floor plans in high-security Knox-Box key boxes mounted near building entrances. Each Knox-Box purchased by a property owner is keyed to a single master key controlled by the local responding department.

In addition to key boxes and vaults, Knox padlocks and key switches operate with the same master key. There are so many gated communities today that fire and police departments are delayed when responding to emergency calls. Increased property damage and even total loss is a threat when property is not accessible.

If you would like to learn more about these products, or to purchase a Knox Box, visit their web site and select East Pittsburgh. <http://www.knoxbox.com/store/lit.cfm>

Project Lifesaver

Do you have a loved one who wanders away from your residence?

Have you had to call 911 when a loved one cannot be found?

Do you know a loved one who often "escapes" from home?

If you answer "yes" to one or more of these questions, you may wish to enroll in PROJECT LIFESAVER.

WHAT IS PROJECT LIFESAVER?

PROJECT LIFESAVER is a program offered by law enforcement and other emergency responders in 41 states, using proven radio technology and specially trained search and rescue teams, to find citizens enrolled in the program when they become lost.

HOW MUCH DOES PROJECT LIFESAVER COST?

Allegheny County District Attorney Stephen Zappala is sponsoring PROJECT LIFESAVER FREE to Allegheny County residents.

HOW DOES PROJECT LIFESAVER WORK?

Persons enrolled in the program wear a small transmitter, about the size of a wristwatch, which emits a unique tracking signal. If a person goes missing, search teams use their signal receiving equipment to track and locate the missing person.

WHO CAN ENROLL?

Any Allegheny County resident who is a caregiver can enroll on behalf of a person* with Alzheimer's, or other form of dementia, Down's syndrome, autism spectrum disorder or other disability, as well as veterans suffering from post-traumatic stress disorder who have a tendency to wander, run or escape from their residences. All participants must receive uninterrupted supervised care from a caregiver or caregivers, twenty-four hours a day.

**Persons residing in group homes or who operate motor vehicles are NOT permitted to be enrolled.*

HOW CAN I ENROLL?

If you are a caregiver for someone you think is eligible to enroll in this program, or would like more information about PROJECT LIFESAVER, contact East Pittsburgh Police Chief Lori Frunceck at 412-824-0447 and leave a message.

What Did YOU Do This Spring, Summer and Fall?

The EPEDC was very busy with many fantastic events! Here are some of the highlights:

Annual Easter Egg Hunt - Was held on Saturday, March 26, at Quarry Field. The event was attended by about 35 children. The children hunted for candy filled eggs. Everyone had a great time!

Pitt Make a Difference Day—Another successful Pitt Make a Difference Day took place on Saturday, October 22, 2016. Over 42 students from the

University of Pittsburgh came to East Pittsburgh to help us clean up public areas. The students pulled the Tri-Boro garden, painted the shelters in Quarry Field, and the old stone house on Linden Avenue. A lunch was provided by the EPEDC for all the volunteers.

Free Summer Lunch Program for Kids—EPEDC along with five churches sponsored a summer lunch program for children. It was held daily from noon to 1:00 p.m. at the Community Center. The children were fed a healthy lunch every day through August 12, 2016. The turnout was great!

Community Unity Festival—This event, which took place on August 16 and was sponsored by East Pittsburgh Economic Development Corporation; Mayor's Office; East Pittsburgh Police Department; Pittsburgh Dream Center; Holy Trinity Church; New Day Ministries; Manna From On High Ministries; and Lanigan Funeral Home.

Even though the weather did not cooperate, everyone had a wonderful time! Everyone received a hot dog, chips, ice cream and drinks. The activities included games, music, crafts and prizes.

The EPEDC hopes to make this an annual event.

Prayer Walk—On September 25, the EPEDC joined with local churches and participated in a prayer walk around town. All churches in the Borough participated as well as the police and community members. Eighty-three people participated. The group stopped at the various churches and the Community Center and VFW then back to New Day Ministries for refreshments.

Hometown Hoops Basketball Mini-Camps—On August 1 and 2 a basketball mini-camp was

conducted at the hoops in Quarry Field. The boys and girls learned basketball skills from local coaches and players with experience in the NBA, NCAA, and WIPIAL. In addition to learning basketball skills, a lunch was provided for the attendees.
