Communications

East Pittsburgh provides communication and outreach through various means to reach our residents and constituents. We regularly update through the following methods:

- Website: www.eastpittsburghboro.com
- Facebook: @eastpittsburghboro
- NextDoor app, available on web browsers, iPhone or Android devices.
- The Shamrock, our quarterly newsletter published in February, April, August, and November.

Ordinances/Borough Code

A searchable version of the Borough Code can be found on our website under Administration->Ordinances

Refuse & Recycling

Household refuse is collected on Fridays by Republic Services as the contracted hauler for the Borough. In the event of a holiday, pickup will be delayed until Saturday.

We ask that residents follow the rules below:

- Rubbish is to be in a sealed bag and in a trash can with a lid, East Pittsburgh Borough (EPB) Code §315-2 and §315-19
- Rubbish not be placed out before 6:00 pm the evening before pickup, EPB Code §315-1 and must be removed by 6:00 pm after pickup.
- **Big's will pick up one large "bulk" item** such as a piece of furniture per home per week. **Please contact Big's directly if you would like to arrange for a larger pickup**
- Items with freon, construction materials, or other hazardous materials will not be accepted.
- Trash be placed in the alley behind/beside your home except for the following locations:
 - Sycamore Street
 - Ridge Avenue;

- odd side of the street 401-575
- even side of the street 400-412
- Grandview Avenue
- Bluff Street
- Cliff Street – even side of the street 300-310
- Maple Street – even side of the street 2-24
- Prospect Avenue
- Main Street – even side of the street 610-614

Recycling is voluntary in East Pittsburgh. We have recycling dumpsters available in the parking lot of 506 Bessemer Ave. for all paper, and recyclable plastics and metals. Please do not leave glass or non-recyclable items such as batteries, lightbulbs or electronics. If non-recyclable refuse is

found the entire dumpster must be designated as trash.

Streets/Parking

On street parking is limited within the Borough. We do not allow for the **reserving of parking spaces with “parking chairs” or other such items.** Our DPW staff will remove these items per Ordinance 926 of 2020.

Please respect the colored lines on curbs.

- Yellow lines indicate a no parking zone
- Blue lines indicate the area is reserved for individuals with the appropriate Persons with Disability Parking Placard or License Plate.

The borough audits all disability parking, so please update the Borough Office whenever you update or no longer need accessible parking.

Violations of either of these parking restrictions, or any vehicles found to be undrivable or with expired inspection/registration may be towed at the **owner’s expense.** (EPB Code, Chapter 264, Article IV)

Nuisances

Vegetation

The Borough requires that properties maintain their grass and shrubbery in such a way that grass remains at a reasonable length both in yards and on curbs if present. Other vegetation such as plants, shrubs and trees should not interfere with travel on rights-of-way such as sidewalks and alleys. (EPB Code, Chapter 264, Article III)

Noise

Noise which is determined to be objectionable because of volume, frequency, or beat shall be muffled or otherwise controlled. (EPB Code, §325-27,C). This includes but is not limited to music, bass vibrations or other sounds emanating from homes or vehicles, outdoor activities, yelling, horns or other sounds that may disturb an average person.

It shall be unlawful to own, possess, harbor, control or keep any animal or bird which makes such noise continuously and/or incessantly for a period of five minutes or makes such noise intermittently for 15 minutes or more to the disturbance of any person... (EPB Code, §175-6)
