

ARTICLE IV

**Restrictions on Basketball Hoops and Other Such Structures In or Near Right-of-Way  
[Adopted 6-8-1998 by Ord. No. 859 (Ch. 64, Art. V, of the 1980 Code of Ordinances)]**

**§ 328-14. Prohibited structures.**

No structure or construction of any nature, edifice, pole, post, basketball standard with hoop and backboard shall be erected or allowed to exist or remain in the public right-of-way. In addition, no basketball pole and/or backboard and/or basket shall be constructed on private property in such proximity to the public right-of-way so that it results in the participants playing or using such structure within the public right-of-way. All such structures, construction, equipment and the playing of games within the public right-of-way are hereby declared to be prohibited structures, activities and public nuisances.

**§ 328-15. Purpose.**

It is declared to be the policy of the Borough that public rights-of-way exist primarily for the movement of traffic for the public at large and not for use as playgrounds.

**§ 328-16. Enforcement.**

The existence and continued existence of such prohibited structures shall be a punishable offense for each day the same continues.

**§ 328-17. Violations and penalties.**

Each violation of this article shall be punishable by a fine up to \$600 per day, and all costs of prosecution incurred by the Borough.
